

Appointment Policy

Your appointment is reserved just for you! A cancellation in our schedule leaves us with an appointment that could have been filled by another client. To optimally serve our clientele, all appointments now require a \$100 deposit. Deposits will be forfeited for missed appointments or rescheduling less than 24 hours in advance.

Gentle Reminder

Please arrive on time for all appointments, as any lateness will result in a reduced appointment duration.

Thank You!

We are blessed to be busy enough that we need to put policies in place for those on the waiting list and our providers! Thank you all for your understanding.
